Esteemed Lion Leaders

It is a great honour to serve you as the District Governor of Lions District 322C4 for the year 2025–26. I extend my heartfelt gratitude to each of you for your continued support, dedication, and passion for service.

Guided by the theme “**Embrace the Service,**” we begin this Lionistic year with renewed energy and purpose. Our district is committed to the five global causes of Lions Clubs International—**Diabetes, Vision (Sight First), Childhood Cancer, Hunger,** and the **Environment**. Through focused service projects including health camps, cancer support initiatives, tree plantations, and eye care programs, we aim to touch more lives and create lasting impact.

Under the banner of the **1.5 Million Mission**, we will strive for membership growth, leadership development, and youth engagement through Leo clubs. Special emphasis will be placed on **Women Empowerment**, encouraging greater participation and leadership from women across all levels.

It was a proud moment to represent our district at the **International Convention in Orlando, USA**, where I was officially installed as District Governor. I was honored to receive **two international medals** for club extension and global growth, which I dedicate to the dedicated efforts of our Lions family.

Let us also focus on **youth involvement** through our Leo Clubs and enhance our presence by digitizing reporting, strengthening club administration, and ensuring every act of service is visible and impactful.

I also extend my sincere **thanks to our District PRO** for her commitment and hard work in compiling and publishing this District Directory timely. Her valuable time, effort, and attention to detail have made this publication a great resource for all of us.

Let us continue to serve with unity, compassion, and determination. Together, we can make this year truly remarkable.

FOUNDER OF LIONISM

MELVIN JONES

Melvin Jones was born on January 13, 1879, at Fort Thomas Arizona at a time when the west remained unsettled because the Apache Indians were making their last stand against the White man's encroachment on their land. At the age of 33 he was the sole owner of his own insurance agency in Chicago, Illinois and became a member of the local business circle. After two years, he felt that as influential MELVIN JONES businessmen, their talents could be better utilized in other areas of community life.

In 1917 after pursuing this thought for four years they formed what is now known as LIONS CLUBS INTERNATIONAL with 27 clubs from around the United States. The Association became international in 1920, when the Lions of Detroit, chartered the Windsor Ontario Lions Club in Canada. In 1950, Melvin Jones was conferred the title of SECRETARY GENERAL of LIONS INTERNATIONAL for life.

Since that time Lions organizations have grown to over 1.45 million members in over 49,000 clubs. Melvin Jones, the founder of this great service organization, died in 1961. His philosophy of life, "You can't get very far until you start doing something for somebody else," lives in our motto "WE SERVE."

In 1961 the International Board of Directors proclaimed January 13 (the birthday of our founder, Melvin Jones) as a day of memory each year through out the world of Lionism. Founder's and Rededication month traditionally observed in January, shall thereafter be designated as Melvin Jones Memorial month.

In June 1999 the Lions International Board gave this prestigious fifty feet spire recognition as an International Shrine. On several occasions before his passing, Melvin visited the site of his birth and participated with the Arizona Lions groups that laid the foundation for the memorial, now honoring his name.

If you are visiting the southwestern United States, take the opportunity to visit your founders birthplace.

FLAG SALUTATION

We salute our National Flag, and pledge our allegiance to the same. Its honour and glory depend upon the zeal and assiduity with which each one of us shoulders our responsibilities of a good citizen.

Its glorious history written in letters of gold, inspires us to put in good work for the fair name of our Country.

We declare our unflinching loyalty to our National Flag and maintain that its course shall be our course and that each individual amongst us shall make genuine efforts to add to its lustre and glory and make it fly proudly aloft in the community of Nations.

HISTORY OF LIONISM

The International Association of Lions Clubs began as the dream of Chicago business man Melvin Jones. He believed that local business Clubs should expand their horizons from purely professional concerns to the betterment of their communities and the world at large. Jone's own group, the Business Circle of Chicago, agreed.

After contacting similar groups around the country, an organizational meeting was held on June 7, 1917, at the Lasalle Hotel in Chicago. The new group took the name from one of the groups invited, the "Association of Lions Clubs" and a national convention was held in Dallas in October of that year. A constitution, bye laws, objects and code of ethics were approved. Among the official objects adopted in those early years was one which read, "No Club shall hold out the financial betterment of its members as its object." This object was the beginning of unselfish service to others and has remained one of the Association's main tenets ever since.

Just three years after its formation, the organization became International when the first Club in Canada was chartered in 1920. Major International expansion continued as clubs were established, particularly throughout Europe, Asia and Africa during the 1950s and 60s. Perhaps the single event having the greatest impact on the Association's service commitment occurred in 1925, when Helen Keller addressed the Lions at their International Convention in Cedar Point, Ohio USA. It was there that she challenged Lions to become "knights of the blind in the crusade against darkness."

In 1990, Lions launched their most aggressive sight preservation effort, Sight First. The More than US\$140 million-plus programme strives to rid the world of preventable and reversible blindness by closing the gap between existing health care services and those that remain desperately needed. Broadening its role in International understanding, the Association helped the United Nations form the Non Governmental Organisation sections in 1945, and continues to hold consultative status till today.

Since those first years, the Association has grown to include 1.45 million men and women in more than 49,000 Clubs located in 210 countries and geographical areas.

LIONS CODE OF ETHICS

To show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success, at the price of my own self-respect loss because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To hold friendship as an end and not as a means. To hold that true friendship exists not on account of service performed by one to another, but that true friendship demand nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen of my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labour and means.

To aid others by giving my sympathy to those in distress, my aid to the weak and my substance to the needy.

To be careful with my criticism and liberal with my praise; to build up and not destroy.

LIONS INTERNATIONAL PLEDGE

I Pledge allegiance to my country and to the cause of peace throughout the world. I believe in the principles of Lionism as contained in the code of ethics.

I am proud to be a Lion, dedicated to the service of others.

PURPOSE OF LIONS INTERNATIONAL

To Organise, charter and supervise service clubs to be known as Lions Clubs .

To Coordinate the activities & standardize the administration of Lions Clubs .

To Create and foster a spirit of understanding among the people of the world.

To Promote the principles of good governance and good citizenship.

To take an active interest in the civic, cultural, social and moral welfare of the community.

To Unite the clubs in the bonds of friendship, good fellowship and mutual understanding.

To provide a forum for the open discussion of all matters of public interest, provided, however, that partisan politics and sectarian religion shall not be debated by club members.

To Encourage service minded people to serve their community without personal financial reward and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavours.

REDEDICATION PLEDGE

Recognising the debt we owe to the vision and leadership of the founders of Lionism at the International level as well at Club level, I (Name) hereby affirm my dedication to the high principles of our organisation as reflected in our code of Ethics and Objects and pledge myself to meet with renewed vigour, the challenge to serve wherever the need may be arise.

MOTTO : We Serve

SLOGAN : Liberty Intelligence Our Nation's Safety

The word 'LIONS' consists of 5 letters in which 'L' stands for Liberty, 'I' for Intelligence, 'O' for our, 'N' for Nation's and 'S' for Safety, Besides the above letter L not only stands for LIBERTY but also for LOVE, LOYALTY, LIFE, LABOUR and LION, Similarly the letter I stands for Intelligence and integrity, It is pertinent to note that emphasis is mainly laid on Intelligence for the reason that Lions intelligently observe the problems facing the society, Intelligently tackle the problems and Intelligently solve the difficulties of society. Thus Lions Intelligently observe, understand, tackle and solve the problems and as such Intelligence is essential for successful completion of Lions project.

After the first International Convention which was held in October, 1917 at Dallas, Texas, and consideration was given to the adoption of an official emblem for the International Association of Lions Clubs in 1919. The final design is the letter L between two lions profiles, with the words Lions International was approved by the International Board and become the official emblem on Dec. 31, 1921, The Lions emblem was designed by Maurice Bank of St. Barbara, California.

DISTRICT POLICY

INTRODUCTION

The District 322 C4 came into existence in Oct 2012 and we had our first District election in 2013 April and the newly formed District started its journey in July 2013 along with the existence of 322 C2 and also the newly formed District 322 C5.

- In our old District 322C2 we received some money from Utkal Foundation and in 2013 our district formed a Trust called Odisha Lions Foundation Trust. While each Lion contribute some money, the Motto of the trust is to give a matching fund to the weak clubs from the interest of the collected money. Unfortunately, it has been observed that many district governors have collected the money and are still holding with them as a result of which the purpose of it is not fully realised.
- We have elected 11 District Governors since formation of the District 322C4. However, membership strength of the Clubs is still on threat and every year we become tense for the collection of district dues.
- When the old District 322 C2 was trifurcated, there was a system to divide each District into 3 Zones like 322 C5 –Cuttack, Balasore and Jajpur, 322 C2 – Rourkela, Sambalpur and Balanagir, 322 C4- Bhubaneswar, Brahmapur and Koraput in order to give equal representation to each Zone and overall growth of each area. Two Districts 322 C2 & 322 C5 are maintaining the system, but the system is not in force in our District; the reason may be due to equal representation of each area and lack of membership and the threat of District haddock.
- Every year our district is eligible to get 2.5 lakh dollars as LCIF Grant. But due to poor coordination, little knowledge of project report preparation and its untimely submission, we are being deprived of the LCIF Grant.
- In the past, we have faced so many legal complications from among the club leaders either with the Club or the Dist which tarnished the image of the District.
- Every year the clubs are giving the District dues of the District Governor for the smooth functioning of the District and to finance the weak Clubs. But due to lack of proper guidelines and supervision, the amount collected by the District is not being spent for the very purpose of its collection.
- We have a Lions Bhavan in Bhubaneswar, but due to lack of awareness of its proper use & development, the valuable Building

is not being properly utilized by our members of Bhubaneswar for their meeting place or from the members of Berhampur, Malakanagiri, Nabarangpur, Koraput, Rayagada & other places by not availing their chance of staying there which is the identity of each Lion.

- Our district is facing many unforeseen calamities like flood, cyclone and other calamities. But for the management of such situations, timely availing of LCIF funds and it’s proper utilization is also required.

A CLOSE OBSERVATION REVEALS THE FOLLOWING

- After the beginning of the Lionstic year, the District Governor is overburdened with various activities like Clubs, District Multiple & International matters and do not find enough time.
- To run the District, a dedicated and responsible team is needed to assist the District Governor.
- A team of experienced Lions is needed in order to shoulder the responsibility and guide the District to have a balance with the District Governor team & Clubs. A minimum term of 5 years is required to keep continuity of the District vision, which is the need of the hour.
- Though there are policies at the international & multiple levels, it is necessary to have our own policy to address to our local issues. Many Clubs / Districts have their own policy. Here we lack it till today.

THE CLUB

Efforts should be taken for each club to maintain a minimum of 20 members. The Club Installation ceremony should be held before the 30th of June. Induction of new members may be done on the same day but the new member’s presence in the induction will be encouraged. The District Governor’s Invitation program should be organized by each club. The club should arrange this in advance with a request letter to the Governor and in turn the Governor gives confirmation to the concerned club for the visit.VDGs must visit the clubs at least once or twice a year. In the club program, the club officers should send advance notice to ZC, RC, Cabinet Secretary, and DG Team. The club installation should be done by the Past District Governors/ VDG-I / VDG -II . The District Governor will not be invited for any club installation.

CLUB DISPUTE

Any dispute of the Club should be resolved amicably at the district level and no dispute of clubs/ members can go to the court of law.

Step 1 : All disputes of the club is to be resolved within the club or by the District Governor.

Step 2 : Any member/ club / DG can forward the dispute to the Apex committee but the finding of the committee will be binding on all.

Step 3 : If the member/ club is not satisfied with the decision of Apex Committee, he has the liberty to file DRP in consultation with the District Governor.

If any member of the club goes to the court of law, the member will be treated by the District as a Non-Lion/ and the Club will be recommended for the status quo by the District Governor/DG Team.

PARAMETER FOR LIONS MEMBERS/CLUBS

The Lions International is based on some ethics and principles. In the past, it has been observed that lion leaders are working hard and adding new clubs and new members to this organization, but some members are forgetting their own parameters and are writing against the District Governor / Past Dist Governors, even against the Dist leaders tarnishing the image of the individuals as well as organizations. The new club P.S.T and members from the beginning of their entry think ill of the organization and leave the organization. Secondly, the silent members after just reading the baseless things never attend the club.

In our organization set up, any member who is dissatisfied with the club can intimate the club President /Dist Governor. The Club President / Club Cabinet members who are disatisfied with the District have the liberty to approach the District Governor / Honorary Committee Person / Apex Committee. In the second step, he/she can intimate the Council Chairperson or the International.

No club member/cabinet member/P.S.T of any club can write in the District Group/Club Group/against any District Leaders/D.G team/P.D.G. The group admin of Club / Dist will immediately remove the name from the club . He / she will be removed for anti lionism, he / she will not be selected for any responsible post for five years. The Club should drop such members from the Club roster and such members should not be taken by any other club of the District for 3 years. The D.G team will recommend the name to the International for dropping such members from the club roster.

OPERATION OF DIST GROUP/CLUB GROUPS

Any Club Secretary / President after they are elected can open the Club Group among the club members and will close the groups within one month of end of their tenure. The D.G elect / Cabinet /Cabinet Secretary Designate will open maximum 4 groups, 1-Dist Cabinet, 2-P.S.T, 3-R.C.

and Z.C, 4-Service activity and they will close the group within one month of end of their tenure. No club member/Cabinet member can open any Lions District group without the approval of the Cabinet. The Club members can not open any Club Group without the approval of the Board of Director of the clubs.

The Club P.S.T will post their activities in District activities Group only. It is restricted to post same items in many groups as the members are facing a lot of problem for posting of the same item in many groups. All the group admins will be

intimated to close the groups with immediate effect. If any club violates the District Policy rules, the concerned club will not be eligible for any District Award and no member from that club will be nominated for the District Cabinet.

The club P.S.T /Cabinet members are authorised to post the activities related to Lions only, not any other items not related to our Lions organization. The Members/Cabinet Members will immediately be removed from the Club/Cabinet for such anti lionism activities. Secondly, he/she can not be in club executive post/Dist Cabinet for at least 3 years and can not contest for V.D.G election for 3 years.

The We Serve Group will be in operation for General informaton and any other matter related to current affairs in lionism.

We assure him/her that the torch of Lionism he/she has handed down to us shall always be kept burning and aloft and passed on to the future leaders to brighten the homes with the light of Lionism and heat up the hearts of the poor and the needy.

LCIF

Through the years the dedicated members of Lions Clubs International have distinguished themselves by rendering selfless community service. Their efforts to serve the less fortunate have been praised throughout the free world. Lions Clubs International, as the world's largest service organisation, has continually sought means whereby its ever expanding programme of humanitarian endeavours can be carried out with increasingly greater effectiveness. In 1968 Lions took another step along this path by creating the Lions Clubs International Foundation.

Lions Clubs International Foundation is a public, non-profit, tax exempted corporation. Its purpose is to promote human welfare by careful application of funds contributed to it. Such contributions may take the form of presents, gift of real or personal property or to be quest, legacy or devise under one's will.

OBJECTIVES

Six major objectives have been adopted for the Lions Clubs

International Foundation which are as under:

- i) Major Disaster & Emergency Relief
- ii) Vocational Assistance Abroad
- iii) Hearing Aids
- iv) Eye-care & Research
- v) Cancer Eradication
- vi) Humanitarian services

When a contribution is made to the Foundation, the donor may either earmark it for use towards one of these objectives or leave it to the discretion of the Foundation.

WHO MAY CONTRIBUTE

Any Lion, Lions Club or District, Non-Lion Group, Association, Corporation, Partnership Firm, Trust, Foundation or other type of organisation is welcome to contribute. Every Lion and Lions Clubs is asked to make the Foundation a part of its programme of humanitarian service by offering their vigorous and generous support.

FOUNDATION HONOUR ROLL

Lions may wish to memorialise deceased club members or living lions, who have rendered outstanding service. LCIF's newly established Foundation Honour Roll now makes it possible. For contribution of 100 or more dollars, a Lions Club, District or a Member's family is entitled to place a worthy Lions name on the Honour Roll in the form of a memorial certificate that will be displayed in a bound volume of the International Headquarters. The Foundation thus become a vehicle through which the donor may express faith in the humanitarian objects of the Lions International. What more splendid way is there to say THANK YOU to a friend, relative or fellow Lion or to honour the memory of a departed Lion.

MELVIN JONES FELLOW

The greatest honour LCIF can bestow is its recognition of an individual as a Melvin Jones Fellow. Requirement for this honour is 1000 Dollars or more under signed donation to the LCIF The individual honoured as a Melvin Jones Fellow receives a large appropriately inscribed wall plaque featuring the LCIF emblem and Melvin Jones Medallion. In addition, the donor's name is inscribed with that of other Melvin Jones Fellows on the honour roll in the LCIF recognition hall.

DISTRICT GOVERNOR'S OFFICIAL VISIT CHECK LIST

Visit of the District Governor to a Club is an important event not only for the President and members of the club but also for District Governor and District Administration.

To organise the meeting, President, Members of the Board and other members together plan this visit, as they would like to make it most successful and a memorable one. To make District Governor's visit a success you have to plan it; plan it well in advance, to make it a memorable event.

BOOK THE DATE OF DISTRICT GOVERNOR VISIT EARLY

Fix up District Governor's visit as soon as possible even in the month of June, before the lionistic year commences. This will enable you to get the date of your choice, such as Charter Anniversary, or at any other important event of the club. At the same time, inform your Region Chairperson and Zone chairperson about the date you have asked for.

NO TIME TO WASTE

Don't feel that date of District Governor's visit is far off and you have lots of time to plan. Remember, "time and tide waits for none." Time will pass, so that it will be late for you to plan resulting in confusion and disappointment.

ARE YOUR ACCOUNTS READY AND AUDITED

Accounts for the previous Lionistic Year should be audited and passed by the Board and General Body. Kindly ensure and follow up with previous administration and get the accounts through without delay.

'D' DAY FOR FAST APPROACHING

30 days prior to District Governor's visit, kindly contact Cabinet Secretary, Cabinet Treasurer, Region Chairperson and Zone Chairperson and discuss the agenda of Board Meeting and Regular Meeting.

15 days prior to District Governor's visit, send the final audited accounts to District Officers, i.e. District Governor, Cabinet Secretary, Cabinet Treasurer, Region Chairperson and Zone Chairperson along with agenda of Board Meeting and Regular Meeting.

At least 2 to 3 days prior to District Governor's visit, please follow up with Board Members to attend the meeting in time and also the attendance Committee Chairman to get the maximum attendance at the Regular Meeting.

IMPORTANT PROJECT VISITS

Some of the clubs would like the Governor to visit their projects. Kindly see that you take the District Governor to only an important and outstanding project of your club and only half an hour should be provided for project visit.

BOARD MEETING

You have the agenda of Board Meeting before you. The sitting arrangements of the Board Meeting should be proper. Please ensure that everyone occupies their seat in time. The Board Meeting will be called to order by the President who will welcome the District Governor and his team. Introduce your Board members to District Governor and his team and go through normal agenda. Do not introduce District Officers as the District Governor has the privilege to do so.

DISTRICT GOVERNOR TAKES OVER

After having gone through other items of agenda, District Governor will then take over, introduce his team of District Officers. Then they will go through the questionnaire. There may be some queries and questions asked to the President to get further information. Question will be asked, generally to President, however he may request other members of Board to answer the same, but no member will answer the question until and unless President directs them do so. Please ensure that there are no side talks. Let all members pay attention to the discussions that are taking place, at the same time please be brief and to the point. You may also invite important committee chairman and Past Presidents.

Be ready with minute Books both G.B.M & B.D.M, attendance record, scrap book, black book, account copy, bank pass book, activity photographs and record book etc.

HOME WORK

Here it is important that District Governor's questionnaire should be discussed at the earlier meeting of the Board so that if any member of the Board has any queries, the same can be replied. This will save

time and avoid unnecessary discussion by Board Members at the Board Meeting at District Governor's visit.

BE HONEST

Go through the already answer sheet District Governor's questionnaire carefully and send the same to District Governor and other office bearers. Please go through each and every question thoroughly and get yourself fully acquainted with the questions and prepare your answers with facts, don't feel shy if some of the requirements asked for in questionnaires are not met with. Be honest, if you have any doubt in the questions, do not hesitate to call on Cabinet Secretary, Cabinet Treasurer, Region Chairperson or Zone Chairperson for their guidance. Remove doubts, if any, from your mind.

BALL IS IN YOUR COURT

The District Governor and his team after having gone through questionnaires will make various suggestions. It will be the turn of your President and Board Members now and they are free to ask any question to District Governor and his team, about the working of District Administration or any other information on Lionism. District Administration will always welcome useful suggestions, and free and frank discussions.

SUMMING UP

Lion President will sum up the discussions and while doing so, include the suggestions and observations made by District Governor and his team.

VOTE OF THANKS

Vice President or Club Secretary will propose a vote of thanks.

FELLOWSHIP

Kindly provide half an hour for fellowship, here again we request you that in the circular you send to your members, please give half an hour advance timings, so that at the time of fellowship there are quite a number of Lions and Lion Ladies present to meet the District Governor, District Office bearers and guests. This will also enable to start the Regular Meeting in time. Also invite leading citizens from your area and introduce them to District Governor.

MEETING CALLED TO ORDER

Make sure that regular Meeting shall be called to order in time.

DO NOT REPEAT

Lion President will only address District Governor, other District Officers and guests individually in the welcome, thereafter, it is not necessary for other speakers to repeat the names of District dignitaries. They may only say Lion President, District Governor and friends. Have a Master of Ceremony (at least once a year) : It is suggested that if possible kindly have a Master of Ceremony at Regular Meeting. This will relieve all of you of much tension. Prior to commencement of meeting, go through the dais arrangements properly and then let MOC announce that the meeting is going to start, and Lion President will then escort the District Governor to his seat on the dais. Put name cards on each seat so that there is no confusion about sitting arrangement. Also ensure that the agenda of the meeting is placed on each seat with time provided to each speaker. The time of regular meeting should not exceed one hour so don't fix a lengthy agenda.

STRICTLY VISIT

On number of occasions, we have seen that the agenda includes inauguration of Project by District governor, rededication pledge, awards presentations, introduction of new members, etc. You have many meetings to take care of all these things. Keep them on a suitable occasion. You will appreciate that the District Governor is the last speaker and if the agenda is long, by the time District Governor rises to address the meeting, the audience and others present may not be in a mood to listen to the address.

CONCLUSIONS

We are sure if all the above points are properly taken care, your meetings, Board and Regular both will definitely start and end in time. Friends, make it a memorable event of the year so that all concerned would cherish its sweet memories forever.

With your Vice-Presidents, you shall see it that the committees function efficiently. You are also with the Club Secretary, and active member of District Governor’s Advisory Committee and as such you will attend the quarterly Advisory Committee meetings of your zone. Keep in mind that at the end of your term of office you will be called to give an account of your stewardship. Your achievement will then be history. This record in years to come will be compared with the records of other Presidents. Your fellow member will be the Judge & the Jury. Now it is the time to plan, and take steps to continue to build your club in every way possible so that it may be an example to other clubs and a credit to the community, the Districts and to Lions International.

“Will you, as President, perform your duties to the best of your ability?”

“President: I will”

We Serve Together, We Grow Together: Our Journey as a Lions Family

For us, service is not just an act—it's a way of life. As a family, we have always believed in spreading positivity, kindness, and compassion in every little way possible. Joining the Lions Family has given us a beautiful platform to serve society more meaningfully, together.

I am Lion Amarjit Panigrahi, CEO of Aquadax South Asia Pvt. Ltd., and my life's mission has been to ensure access to the highest quality of water across the world. I've travelled extensively with a vision to create a healthier, more sustainable future through clean water. Being part of Lions Club allows me to take this passion beyond business and into real community impact.

My wife, Lion Ipsita Panigrahi, brings a unique touch to our journey. She is a rare combination of healer, tarot card reader, and event planner. A proud Odia, she never misses a chance to promote our rich culture—whether it's through food, festivals, or handloom. Her workshops on mental wellness, aura cleansing, and chakra balancing—both online and offline—have helped many reconnect with themselves and their inner peace. She is also a passionate blogger, writing about food, travel, and sarees. Her compassion, energy, and unwavering belief in self-love inspire not just our family but everyone around her. She's that 2 a.m. friend you can always count on.

Our 7yrs old daughter, Cub Divita Panigrahi, is a proud member of our district's first Cub Program. Even at a young age, she shows immense empathy, especially toward underprivileged children. Her belief in sharing and caring reminds us every day that kindness knows no age. We are proud of the values she's growing up with, and we're grateful the Lions family is helping shape her journey.

Together, we joined Lions with a shared vision—to serve better, to grow stronger, and to make a difference. Being part of this global family of change-makers is an honor. It has not only strengthened our commitment to service but has also brought us closer as a family with a purpose.

This is more than a membership for us—it's a mission. And we're just getting started.
